

APUA-HELP 2010-2011

THE INTERNATIONAL 2CV ROAD SERVICE BOOKLET

02.11.2009

Dear 2CV (DYANE, AMI, MEHARI...) friends all over the world

Since 1975 the Finnish 2CV Guild has published the international 2CV Road Service Booklet APUA-HELP. It has become a world-wide list of 2CV friends and clubs - over 1000 helpers from 38 countries in last issue !

Please register yourself using our new internet form at: www.2cv.fi

This is the easiest and safest way. If you can not get connected to internet, you can also send us the traditional paper form.

If you have been in the booklet before, please note that **old names will NOT go automatically in**. Indicate the type of help you are willing to give (abcd-classification). You can be a driver or fan of any Citroen A-model or even an H-model. Tips on local 2CV repair & spares shops, special expertise, touristic information, accommodation etc. are welcome, too.

To ensure inclusion, please register before 28th February 2010.

The people included should be **willing to help and meet fellow 2CV friends** in "true 2CV spirit". The help is given on a volunteer basis. We hope also those needing help would always respect these basic principles!

The inclusion is free, but if you would like to receive a copy of APUA-HELP, please send us 5 euros in cash in a letter or use international banking (details below). Special club prices will be offered for bigger amounts ordered in advance, please ask. If interested in publishing a separate commercial **advertisement in APUA-HELP**, the prices are following: full page=190 euros, 1/2 page=120 e, 1/4 page=90 e. APUA-HELP is distributed to 2CV friends all over the world **for the next 2 years**. For details and reservations, contact us fin2cv@2cv.fi. Separately, we also collect **a list of 2CV and Citroën clubs**.
